Section 3.2 Adding and Subtracting Linear Expressions 87 Use what you learned about adding and subtracting algebraic expressions to complete Exercises 6 and 7 on page 90.

Subtracting Linear Expressions Real-Life Application The original price of a cowboy hat is d dollars. You use a coupon and buy the hat for $(d \dots$

Section 3.2 Adding and Subtracting Linear Expressions 87 Use what you learned about adding and subtracting algebraic expressions to complete Exercises 6 and 7 on page 90.

Add and Subtract Linear Expressions Notes: Today's topic builds off of yesterday's lesson on combining like terms. Therefore, to start today's lesson, I am going to address how to make these problems look just like the ones we did in the previous lesson, by going over a few notes.
