Air assault operations using Army of the Republic of Vietnam (ARVN) troops began 12 days later in Operation Chopper. These were very successful at first but the Viet Cong (VC) began developing counter helicopter techniques, and at the Battle of Ap Bac in January 1963, 13 of 15 helicopters were hit and four shot down.

APPENDIX J. AIR ASSAULT OPERATIONS. When the battalion task force executes an air assault operation, mechanized infantry company teams form the primary air assault force.
