“American Caesar” is the type of biography that I like. It boldly tells the story of one of the Twentieth Centuries’ towering personalities, while skillfully weaving in the history of the world in which MacArthur acted.

American Caesar: Douglas MacArthur, 1880-1964 is a 1978 biography of General of the Army Douglas MacArthur by American historian William Manchester. Manchester paints a sympathetic but balanced portrait of MacArthur, praising the general for his military genius, administrative skill, and personal bravery, while criticizing his vanity, paranoia, and tendency toward insubordination.

MacArthur, the public figure, the private man, the soldier-hero whose mystery and appeal created a uniquely American legend, portrayed in a biography that will challenge the cherished myths of admirers and critics alike.
