"Thinking of You" is an amazing look into the mind of Barbara Kruger, an artist that challenges the viewer's concepts of reality. Most of her work consists of a photo (usually black and white) with text juxtaposed on it. The book also contains explanatory notes on selected works and essays about the artist. Her work is very philosophical and subversive. A must-have for anyone who thinks outside the box.

This is the most comprehensive publication ever produced on the work of American artist Barbara Kruger. Kruger, one of the most influential artists of the last three decades, uses pictures and words through a wide variety of media and sites to raise issues of power, sexuality, and representation.
