Brain Teasers for Kids. Kids love brainteasers, as long as they do not get too frustrated trying to figure them out. Our collection of brainteasers for kids takes that into consideration. Most of the answers are fairly obvious if kids listen carefully and think for a moment. Adults will have fun sharing these with their children, teachers with their students, and kids with their friends.

We here at Bright Side have prepared some fun brainteasers that kids crack in no time but leave adults scratching their heads.
