You can write a book review and share your experiences. Other readers will always be interested in your opinion of the books you've read. Whether you've loved the book or not, if you give your honest and detailed thoughts then people will find new books that are right for them.

John Scarne was surely very proud of this game. He even named his son as John Teeko Scarne. Teeko deserves to be called an excellent game. Its rules are simple, and you need only simple board and 8 pieces to play. Despite this, the game has a complex strategy. So complex you can write books about it (John Scarne wrote one book titled Scarne on Teeko, released in 1955).
