The Carnival of the Damned was an amusement park built by LeChuck around the Giant Monkey Head. It was fuelled by a combination of the power of Big Whoop and monkeys ('Dynamo-Monkelectric' power). Guybrush Threepwood fought with LeChuck inside the Giant Monkey Head .

Carnival of the Darned is the 10c episode of season 3 of Johnny Bravo. Believing that his mother doesn't love him anymore, Johnny decides to runaway home and join the carnival and became their star attraction, only to gain a bit of hatred from the former star attraction.

The Carnival of the Damned was written by David Baity and published by Purple Sorcerer Games. Disclosure: I received a proofreading credit on this product. This is, to put it quite simply, the meatiest 0-level funnel written for the Dungeon Crawl Classics system to date.

The Carnival of the Damned is a 0-level tournament-style Dungeon Crawl Classics adventure written by David Baity (of Dark Trails fame). The premise of The Carnival of the Damned is fantastic. The characters are a band of villagers trapped in a mist shrouded carnival searching for the children of the village.
