

Download Clarence H White The Aperture History Of Photography Series 11

Clarence Hudson White was a talented self-taught early American photographer based in the "Wilds of Ohio" at the end of the 19th Century. Much of best work was done as an amateur while he was working 12-hour days, six days a week as a book keeper/accountant.

Clarence H White Reading books is the best way of self-development and learning many interesting things. Today, paper books are not as popular as a couple of decades ago due to the emergence of electronic books (ebooks).
