Each course includes twenty lessons that feature more challenging dialogues as well as numerous examples, explanations, and practice exercises. Best of all, the packages are as compact and portable as ever! Each program comes complete with a coursebook, handy learner's bilingual dictionary, and four hours of recordings on four CDs.

About Complete German: The Basics (Book and CD Set) With Living Language Complete German: The Basics, you'll start by learning words, and then you'll progress to phrases, sentences, and conversations.

The proof that this book is a very nice tool for learning German is that I am now taking the Deutsche Welle online free course, a course that is not easy to follow. I also can read simple writings. This book was helpful in all its aspects. Try it but study, study and study, that is the best task to learn. My next step is to see German language movies and hear music. I recommend this book as a great tool for learning German.
