

Download Cooking On The Home Front Favorite Recipes Of The World War Ii Years

On The Home Front: Original Wartime Recipes from The Great War 1914 to 1918. 1916: What To Do With Cheese. Cheese And Lentil Savoury Recipe. Lentils are a highly nutritious as well as an economical food, and when treated as follows, they are also very delicious. Take eight ounces of cheese, five and a half ounces of lentils, three ounces of breadcrumbs, four ounces of onions, one and a half ounces of fat, parsley, salt and pepper.

When I was growing up, some of my favorite things that my grandma would whip up in the kitchen were the things she remembered from her childhood — the era of World War II. Because of rations imposed during the war, those who remained on the home front were encouraged to cut back on certain things. Then-President, Theodore Roosevelt, established the U.S. Food Administration to help make food and resources last until the end of the war.

Cooking On The Home Front book. Read 2 reviews from the world's largest community for readers. Who will ever forget victory gardens, ration books, meatle... Read 2 reviews from the world's largest community for readers.

Some recipes are suitable for today, some are simply interesting in looking at what our mothers and grandmothers managed to do during the time of rationing. I enjoy reading about the home front in World War II and I really enjoyed this. There were some typos that were distracting, but mostly this was a fascinating book.
