Country Woodcraft [Drew Langsner] on . *FREE* shipping on qualifying offers. Describes traditional woodcrafting techniques and presents challenging projects for creating agricultural implements

This book has detailed descriptions and pictures of all types of country woodcraft projects. They have great info on the workshop, agricultural implements, and household crafts. I was particularly interested in the spoons and shaving horse.

Drew Langsner's Country Woodcraft exists in that vein – far more than being simply a guided tour of how-to projects, this book extends an open invitation to enter into the world of the country craftsman.
