

Download Critical Thinking For Ocr As Level

Critical Thinking is a skills-based rather than content-based A Level. It develops the ability to interpret, analyse and evaluate ideas and arguments and can support thinking skills in all subject areas, from arts and humanities to sciences.

OCR provides Critical Thinking qualifications for learners of all ages at school, college and work.

EBOOK SYNOPSIS: A Level Critical Thinking for OCR is a brand new course for a brand new A Level. All of the AS and A2 Student Books will inspire your critical thinkers and provide support for you as a specialist or non-specialist in Critical Thinking.

A Level Critical Thinking for OCR is a brand new course for a brand new A Level. All of the AS and A2 Student Books will inspire your critical thinkers and provide support for you as a specialist or non-specialist in Critical Thinking.

OCR offers Critical Thinking at both AS and A2 levels, as well as an AEA. AQA also offers Critical Thinking as an A-Level since 2008. There has recently been a fall in its popularity as an A level subject, presumably because few Universities accept it, and AQA will not be offering it after June 2014.
