This 1998 book is as contemporary today as when it was written. This book is chock full of designs, color and examples of unusual ways to add stitches and accent the fabric you choose to work on.

This collection of over 50 new designs includes ideas for incorporating beads, buttons and speciality thread in projects that are designed to give stitchers a chance to master new and more advanced techniques. The author is one of the world's most successful cross stitch designers with 17 previous books to her name.

As a follow up to her acclaimed The Cross Stitcher's Bible, Jane has produced this collection of imaginative projects designed to give stitchers a chance to... Free shipping over \$10. Free shipping over \$10.

As a follow-up to "The Cross Stitcher's Bible", cross-stitch designer Jane Greenoff offers a collection of over 40 inspirational new designs and projects in this title, divided into four sections: fabulous fabrics, exciting embellishments, perfect stitches and beautiful bands.

A good project and companion book for Cross Stitch Bible book. I enjoy Jane Greenoff books. I wish that I have all the time to stitch most of the project I have my eyes on.
