In preparing this second edition, a fresh look was taken at literature describing practices and concepts relating to theory development in behavioral disciplines related to education for cues leading to a discussion of curriculum theory.

Are you sure you want to remove Curriculum theory from your list?

ory which I call the Referent Theory of Instruction (4), but others are needed and some are on the horizon. Proponents of the open classroom are nearing such a theory. The entire mishmash of writings in the area of performance based education might some way be synthesized into a valuable theory of instruction.
