

Download Defensive Shotgun Louis Awerbuck

Louis was one of the premier personal defense training instructors in the US. He was an instructor and ultimately Chief Rangemaster of the widely respected Gunsite Academy prior to starting his own training school, and his specialty was the shotgun.

The late, great Louis Awerbuck had a LOT of opinions on shotguns. Our interview with him remains one of the most informative we done here at MCS. Here are some of Mr. Awerbuck's thoughts on the topic. He is greatly missed in the tactical community.

I took a defensive shotgun course with Louis Awerbuck and we did some of these. There are a variety of methods to use depending on the type of action your shotgun has and how lucky you are feeling that day. One thing they all had in common was that they all sucked. All were at best tedious, complicated, time consuming, and tended to get your attention focused between your hands when it should ...
