

Download Drawing Cutting Edge Anatomy The Ultimate Reference For Comic Book Artists

The way he tells about how to draw the anatomy of comic book heroes and villains. Though the way shows a image on how draw of the simplified was ok but kind of short but if your just looking at the images instead of reading it. It's great and you've got to read his and other drawing book artists also his YouTube channel as well.

This item: Drawing Cutting Edge Anatomy: The Ultimate Reference Guide for Comic Book Artists by Christopher Hart Paperback CDN\$ 22.46 Only 3 left in stock (more on the way). Ships from and sold by Amazon.ca.

This is a really great book on drawing comic book people. It goes through each part of the body and gives you several examples of different ways to draw them. It goes through each part of the body and gives you several examples of different ways to draw them.
