

Download Edge Of Tomorrow An Arctic Year Northwest Voices Essay Series

I spent the last three hours reading it in one gulp. It has been as satisfying an afternoon as I have had in many a year. Sam structures his philosophy and experience with the calendar and the events of the year in his cabin just below the Arctic Circle. His wisdom comes thru the stories he tells and the parables that he creates. With his wide-ranging experience in life, his story becomes an adventure of the mind.

Edge of Tomorrow By Sam Wright Reviewed by Frank Kadish Few people are able to synthesize their lives from being born and raised in the west, to being a scientist, to become a minister in a free thinking liberal church, to an outdoorsman and to put into practice his philosophy by combining it with living off the land as our ancestors did.

Billie Wright's award-winning book, *Four Seasons North: A Journal of Life in the Alaskan Wilderness*, was her account of their first year in the cabin which they named Koviashuvik, an Eskimo word for "living in the present moment with quiet joy and happiness." Billie died in December 1987. In 1988, Sam published *Koviashuvik* as the second volume in their library of nature philosophy. *Edge of Tomorrow* is the third in the Wrights' series.

Large collection of new and used Polar Region Travel Books at much lower prices than other booksellers. Free U.S. shipping over \$10.
