

Download Essential Guide South African Wines

Most South African wine production is located in the southwestern part of the country, called the Western Cape. The wines are categorized into big geographical areas that are then broken down into regions, districts, and wards. For example, Stellenbosch is a district within the Coastal Region.

South African wine has always had a reputation for being ripe, full-bodied and fruity, but over the last two decades winemakers have been working behind the scenes to create a growing number of nuanced wines that have picked up awards left, right and centre.

ELMARIE SWART & IZAK SMIT The Essential Guide to South African Wines: Terroir and Travel Wine Appreciation Guild: San Francisco 1st ed., 2008 (first published in 2006 by Cheviot Publishing: Cape Town, SA, updated in 2009)
