If New York Fashion Week was, however, more urban-ready, the London Fashion Week spring 2018 fashion trends were as usual more punk rock-infused in styles, meaning that at times the designers translated some of NYFW's coolest trends to their LFW-approved counterparts.

Each season the team at the Pantone Color Institute creates the Pantone Fashion Color Trend Report; a colour overview highlighting the top colours fashion designers showing at London Fashion Week will be featuring in their collections for the upcoming season.

With London Fashion Week good and done, it's time to examine the spring 2019 fashion trends! The designers, models, publicists, stylists, and makeup artists are all gone, and it is time to examine what kind of mark they have made on the fashion world, and what we can expect to see all over the streets in the spring of 2019.
