

Download Folkwear Book Ethnic Clothing Embellish

This book is not intended to be an end-all tome on ethnic clothing. It is, however, a great starting place for those interested in ethnic clothing and embellishment. A little something to whet the appetite. It includes 5 schematic patterns for making your own garments. (The patterns are available through Folkwear for those not inclined to draft the patterns out themselves.) This is definitely a book that needs to be on every artistic sewist's shelf.
