the middle ages were 5th century through to the 15th century and we are now in the 21st century so that would make it over 600 hundred years ago when the middle ages were around.

The year of Miss Agnes / Ten-year-old Fred (short for Frederika) narrates the story of school and village life among the Athapascans in Alaska during 1948 when Miss Agnes arrived as the new teacher.

The Dene people are the original habitants of the area of land stretching east to west from the Hudson Bay to the interior of Alaska, and south to north from central Alberta to the Arctic Ocean. The name Dene means “the people”, and Denedeh means “land of the people”.

The Dene have lived in arctic and boreal regions across the north for over 4,000 years. During this time, they’ve turned a frozen desert into a cultural paradise — even during the dead of winter — with their traditional music, games and food.

Two Hundred Years Together (Russian: ?????? ??? ??????, Dvesti let vmeste) is a two-volume historical essay by Aleksandr Solzhenitsyn. It was written as a comprehensive history of Jews in the Russian Empire , the Soviet Union and modern Russia between the years 1795 and 1995, especially with regard to government attitudes toward Jews.

the following themes: Who are the Dene? Plants and Animals, Tools/Technology and Transportation, Food/ Clothing/ Shelter and Entertainment. KEY MESSAGE “To survive for so many of thousands of years, our Dene ancestors needed a deep and intimate knowledge of the land, of its creatures and seasons.
