The only thing more paralyzing than a blank page, is a blank page in a wedding guest book. The struggle is real. Oh, the pressure to express your inexpressible joy for the bride and groom in a keepsake they intend to treasure forever.

A hardback dictionary guest book has become one of the latest trends for weddings – now you can use the idea for your rental, too! Let your guests pick their favorite adjective to describe their stay, and write their comment in a brightly colored pen across the dictionary's pages.

Personalized unlined / blank page guest book - hand bound in leather, linen, silk or textured satin in many colors. Lovely visitors book for all occasions and locations. Lovely visitors book for all occasions and locations.
