

# Download High Performance Computing In Science And Engineering 14 Transactions Of

High Performance Computing in Science and Engineering '14 Transactions of the High Performance Computing Center, Stuttgart (HLRS) 2014

presented at the 16th Annual Results and Review Workshop on High Performance Computing in Science and Engineering, held on September 29–30, 2014, at the Universität Stuttgart.

The reports cover all fields of computational science and engineering ranging from CFD to computational physics and from chemistry to computer science with a special emphasis on industrially relevant applications. Presenting findings of one of Europe's leading systems, this volume covers a wide variety of applications that deliver a high level of sustained performance.

High Performance Computing in Science and Engineering '14 Transactions of the High Performance Computing Center, Stuttgart (HLRS) 2014. Editors: Nagel, Wolfgang E ...

High Performance Computing in Science and Engineering '02 Transactions of the High Performance Computing Center Stuttgart (HLRS) 2002. Herausgeber: Krause, Egon, Jäger, Willi (Eds.)

The reports cover all fields of computational science and engineering ranging from CFD to computational physics and from chemistry to computer science with a special emphasis on industrially relevant applications. Presenting findings of one of Europe's leading systems, this volume covers a wide variety of applications that deliver a high level of sustained performance.
