Journey to the Heart will comfort and inspire us all as we begin to discover our true purpose in the world and learn to connect even more deeply with ourselves, the creative force, and the magic and mystery in the world around and within us.

It's a daily meditation devotional full of inspiring thoughts and prayer like lines. I purchased it over a year ago and have read through some of it twice. It's a book to pick up again and again whenever one needs a bit of joy, peace or solitude. It can be read daily, in pieces or whenever needed.
