

# Download Lacan And The Political Thinking The Political

Synopsis . The work of Jacques Lacan is second only to Freud in its impact on psychoanalysis. Yannis Stavrakakis clearly examines Lacan's challenging views on time, history, language, alterity, desire and sexuality from a political standpoint.

Lacan is an inherently difficult writer to understand; Stavrakakis provides one of the most lucid introduction to his ideas, serving to ground in clear terms the applicability of Lacanian concepts to the political and the social. While I have some disagreements with his elaborations and conclusions, these stem more from the breadth of my own developed Lacanian education- entirely thanks to Stavrakakis- rather than what I initially brought to the experience of reading this fine text.

Buy Lacan and the Political (Thinking the Political) 1 by Yannis Stavrakakis (ISBN: 9780415171861) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

The first part of Lacan and the Political offers a straightforward and systematic assessment of the importance of Lacan's categories and theoretical constructions for concrete political analysis. The second half of the book applies Lacanian theory to specific examples of widely discussed political issues, such as Green ideology, the question of democracy and the hegemony of advertising in contemporary culture.
