Collins Italian with Paul Noble combines an exciting, new non-traditional approach to language learning with the easy, relaxed appeal of an audio-only product.

Japanese is one of the most popular languages to learn at the moment, especially if you want to further improve your career. For an English speaker, Japanese can seem like a difficult language to learn, but with challenge comes opportunity. Learn how to read and write Japanese characters using hiragana or with romaji. Don't worry if you can't read Japanese characters to start with, you can easily switch between hiragana and romaji in the user interface.
