Union of Tribe - A symbol of solidarity that evokes a feeling of nobility to those who see it...

Overall the Long Neck Tribes live a rugged, tedious, and simple lifestyle, but the fruits of their labor are colorful and very lively. There are still around 40,000 Karen members today, but thousands have had to flee Burma over the decades due to political unrest.

If you first kill the Fangs and then the mercs, too (e.g. to maximize loot), you cannot end the quest anymore. If you kill Cwineth in Northweald before you talk to either group, the quest will fail, but you can still do as the Fangs want and receive their reward, just no xp.
