

Download Manga Vision Cultural And Communicative Perspectives Cultural Studies

Manga Vision: Cultural and Communicative Perspectives is an exciting exploration of manga (Japanese comics) from academic and artistic perspectives, edited by Sarah Pasfield-Neofitou and Cathy Sell, and published by Monash University Publishing.

Manga Vision examines cultural and communicative aspects of Japanese comics, drawing together scholars from Japan, Australia and Europe working in areas as diverse as cultural studies, linguistics, education, music, art, anthropology, and translation, to explore the influence of manga in Japan and worldwide via translation, OEL manga and fan engagement.

Manga Vision: Cultural and Communicative Perspectives. Cultural Studies. Edited by Sarah Pasfield-Neotifou and Cathy Sell, with manga artist Queenie Chan

Manga Vision is divided into two main themes: cultural perspectives and communicative perspectives. However, each chapter deals with both of these themes to some extent. The first section explores manga as an expansive medium through which personal identities and group cultures are expressed and developed. The section explores appropriations of Japanese manga aesthetic for personal uses by ...
