Explores the color prints of Mary Cassatt produced during 1890s and examines them in terms of the varied techniques the artist employed as well as her themes and working methods.

In the prints Mathews finds confirmation of the thesis that Cassatt passed from Impressionism to "a quieter, more classic art." Boasting the completeness of a catalogue raisonne, this sumptuous work surely will remain the leading resource for decades to come. Highly recommended. - Mary Hamel-Schwulst, Towson State Univ., Md.

Mary Cassatt's color prints, as part of the color print movement that swept the international art world in the 1890s, have proved to be a rich field of study. In addition to their great beauty and warm humanity, these prints are some of the most technically complex of this era and reveal much about Cassatt's working methods and creative process.

Afternoon Tea Party is part of a series of ten color prints in which Mary Cassatt explores the domestic activities and roles of women in the nineteenth century. In this scene, a young woman serves tea and cakes to a visitor. Women typically called on one another in the afternoons, and serving tea was a ritual that often included discussion and relaxation.
