Every new parent knows just how precious the first year of baby's life is. My Baby's Journal makes it easy to hang on to all those memorable moments: first words, first tooth, first smile, first steps, and many more.

Record the first step, first words, first tooth, first haircut, first birthday and many more moments with this beautiful gender neutral baby journal. With generous space for memories, photos and milestones from pre birth through to five years old.

Mary Fetzer "The first two years of your baby's life is a time in which your child experiences the greatest amount of growth and development," says child development specialist Dr. Dave Allen of Haydenburri Lane.
