I have been wanting to share this amazing homemade body butter recipe with y'all for a while now. You see, I have never been a lotion girl. Just not a big fan of feeling sticky or greasy, I guess.

Try this healing organic body butter recipe. It will only take a few minutes to make and will leave your skin feeling nourished and so soft. It will only take a few minutes to make and will leave your skin feeling nourished and so soft.

When it comes to making your own body butter it doesn't get much more simple than this five ingredient whipped body butter recipe. It combines skin soothing mango and shea butters with coconut oil for a rich and decadent moisturizing body cream, with natural non-toxic ingredients that nourish the skin.

When I started making my own body butter and cream 15 years ago, one of my struggles was how to make body butter less greasy. Often my legs would end up looking way too shiny and greasy.

This luxurious homemade body butter is a real workhorse product. My family uses it for healing and preventing skin irritations of any kind. With only three ingredients it's simple to make.
