The National Evaluation Series tests, or NES tests, are a battery of tests designed to ensure that prospective teachers are knowledgeable, and adequately prepared to teach in their preferred fields. The NES General Science practice test will assist you in passing the NES General Science test.

NES stands for National Evaluation Series and refers to a group of teacher certification exams. Keep reading for more information on the different types of tests available and learn where and when ...

NES Elementary Education Subtest 1 (102): Practice & Study Guide Final Exam Free Practice Test Choose your answer to the question and click 'Continue' to see how you did.

All National Evaluation Series exams are computer-based, allowing tests to be scored and returned quickly. Students electing to have those test scores emailed will generally receive them in about two weeks. Tests with student generated answers and written assignments come back within a four week period of time. The NES board will also forward exam results to the institutions and state certification entities of the examinee's choice.

A NES teacher certification Computer Science test is under development for the Fall of 2018. Beginning August 30, 2016, score reports will be available in your account for two years. Time increase for Elem Ed Subtest II , Mathematics , and Middle Grades Mathematics takes effect 9/12/16.

Tests. What tests do I need to take? Educator certification requirements vary from state to state. NES tests are taken by individuals pursuing certification as entry-level teachers.
