Regarded by many as the ideal medical practitioner, Sir William Osler advised physicians to "let no day pass without contact with the best literature of the world." "Before going to sleep," he counseled, "read for half an hour" from a "bedside library," beginning with "a list of ten books which you

Back to Osler's Bedside Library: Great Writers Who Inspired A Great Physician Editors: Michael A. LaCombe, MD, and David J. Elpern, MD Regarded by many as the ideal medical practitioner, Sir William Osler advised physicians to "let no day pass without contact with the best literature of the world."

Osler's Bedside Library and over one million other books are available for Amazon Kindle.

This is a great gift for the doctors and pre-meds in your family. Osler pioneered the medical residency system at Johns Hopkins and was one of Hopkins' 4 founders. Very cool idea to bring together his favorite bedside reading in a substantial and attractive anthology.
