Unknowingly, too many of us operate from an inward mindset—a narrow-minded focus on self-centered goals and objectives. When faced with personal ineffectiveness or lagging organizational performance

By The Arbinger Institute . Mindset. It is the factor too often overlooked, or given just a nod of agreement, when thinking about creating change for ourselves, others or organizations.

The Outward Mindset: Seeing Beyond Ourselves by The Arbinger Institute, 9781626567153, available at Book Depository with free delivery worldwide.

My journey into the material from the Arbinger Institute started in 2012. The book Bonds that Make Us Free was recommended by a counselor. That led me to reading Leadership and Self-Deception and The Anatomy of Peace.

THE ARBINGER INSTITUTE is a worldwide training, consulting, and coaching organization whose programs and methodologies are based on forty-five years of research in the psychology of human behavior and motivation and more than thirty-five years of experience working with organizations worldwide.

The new edition of an international bestseller helps individuals and organizations shift to a new mindset that will improve performance, spark collaboration, accelerate innovation, and make your life and the lives of everyone around you better.
