Peace Process: American Diplomacy and the Arab-Israeli Conflict since 1967 26,00 € Auf Lager.

In the years since 1967 the emphasis in Washington has shifted from the spelling out of the ingredients of “peace” to the “process” of getting there. This procedural bias, which frequently seems to characterize American diplomacy, reflects a practical, even legalistic side of American political culture....

Peace Process: American Diplomacy and the Arab-Israeli conflict since 1967 (Third Edition) William B. Quandt List of Appendixes Appendix G Egyptian-Israeli Peace Treaty, March 26, 1979

It categorizes the conflict's resolution as a process evolving towards peace. The book picks up in 1967 with American involvement in trying to resolve the six day war and the aftermath where the Arab countries began thinking about a resolution to the conflict.

One message of Peace Process is that the United States has had, and will continue to have, a crucial role in helping Israel and her Arab neighbors reach peace. If American presidents play their role with skill, they can make a lasting contribution. But just as likely, they may misread the realities of the Middle East and add to the impasse by their own errors.

This detailed account of the American peace process in the Arab Israeli conflict is written by William Quandt, who has served Nixon and Carter on the National Security council.

If you are a patient reader, and want to know how the United States has been involved in the Mid-East Peace Process since 1967, this is an amazing book. It helped me understand the roots of anti-Americanism. The later presidents are subjected to more analysis by Quandt than the earlier ones.
