

Download Phonological Argumentation Essays On Evidence And Motivation Advances In Optimality

Synopsis This volume presents a series of original papers focusing on the theme of phonological argumentation, set within the framework of Optimality Theory. It contains two major sections: chapters about the evidence for and methodology used in discovering the bases of phonological theory, i ...

This volume presents a series of original papers focusing on phonological argumentation, set within the framework of Optimality Theory. It contains two major sections: chapters about the evidence for and methodology used in discovering the bases of phonological theory, i.e., how constraints are formed and what sort of evidence is relevant in positing them; and case studies that focus on ...
