Plymouth is a town in Litchfield County, Connecticut, United States. It is named after Plymouth, Devon, England. The population was 12,243 at the 2010 census. The town of Plymouth includes the villages of Terryville and Pequabuck.

Images of America When most people think of American history, they picture the way events and changing social values affected the country on a national level. However, while more general study of our history as a nation is important, it's essential not to underestimate the value of regional history.
