Reasons To Believe is an offering in response to the call of scripture to "sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear" (1 Peter 3:15, KJV). We're expected to take for granted

Reasons For Ignorance. There are many reasons for faith outside of Scripture; understanding these reasons gives a much broader, deeper understanding of Christianity. The claim that Christianity is entirely a matter of faith is nothing more than a modern myth – it simply is not true.

The New God Argument advances a reason for rationally choosing to believe that there is something bigger than us out there. This argument is a generalized version of the Simulation Argument, by Nick Bostrom.

Concerning the problem of faith and reason, Aquinas taught that there are truths that can only be known through faith and some that can be known through either faith or reason. Aquinas says the distinction between "human actions" and "the acts of humans" is that

Reasons for Jesus is an apologetics-based website dedicated to providing justification for a Biblical worldview and a rational defense for faith in Jesus Christ. On this site we will be looking at answers to questions, responses to objections, and positive reasons for why Jesus is exactly who he claimed to be: The Son of God and only means of salvation.

5 Surprising Reasons to Believe in the Christian God. I've put together a list of five reasons why you and I should believe in the Christian God, and not any other god from the other religions.
