Reliquary ist der zweite Band, in dem Special Agent Pendergast eine Rolle spielt. Bei der Suche nach einem Paket Drogen werden in den Abwasserkanälen New Yorks zwei Leichen gefunden.

Relic, #1 in the FBI agent Pendergast series, must be read first before 'Reliquary', #2 in the series. I do not want to reveal anything else about 'Reliquary' because the novel will be spoiled by a review which discusses it too much. The book continues 18 months after the events introduced in 'Relic'. It concludes 'Relic's plot. Maybe.

Reliquary by Douglas Preston & Lincoln Child - book 2 in the Pendergast thriller series (1997)

So, Pendergast #1 was good and I liked Pendergast #2, this book. I already have Pendergast #3 ready to go. If strange creatures and scary happenings are your ideas of fun, this could be an interesting series to read.

Reliquary is the second novel in the Agent Pendergast series. It was published by Tor Books in 1997 and is the third collaborative Preston-Child novel, following Relic and Mount Dragon.

Douglas Preston and Lincoln Child co-author the second in the Agent Pendergast series, following up from the first installment that without a spoiler alert makes reviewing this book difficult, although I'll try.
