The collection of hilarious and provocative essays by New York Times bestselling author and television pioneer Roseanne Barr as she takes on world leaders, militant feminists, and even Satan.

Roseannearchy: Dispatches From The Nut Farm This book is what would be an UPDATED biography from the now former "domestic goddess" of television to a farmer of macadamia nuts. From the original Real Housewife herself that set a precedence in Pop Culture, here is the story from the one & only herself, Roseanne Barr.
