Although the process is virtually the same as any other adoption, this book was written with the same-sex couple in mind. You will learn the different ways to adopt a child, as well as get special tips on same-sex parenting and the occasional challenges that you may encounter.

Although the process is virtually the same as any other adoption, this book was written with the same-sex couple in mind. You will learn the different ways to adopt a child, as well as get special tips on same-sex parenting and the occasional challenges that you may encounter.

Same-sex adoption laws have come a long way in the United States. For many years, same-sex couples could not adopt together due to discrimination and adoption requirements that they couldn't legally meet.

Gay Adoption comes with some unique challenges, and same sex couples adopting will find these books beneficial to the infant adoption process.

Same-sex couples are seven times more likely to be raising a foster child or adopted child than heterosexual couples. Sixty percent of LGBTQ adoptions are transracial. Keep in mind that much of this data is compiled on gay and lesbian adoption since little information is available on adoption by bi-sexuals, transgender and those who identify as queer or gender nonconforming. While we have seen ...

LGBT Adoption Statistics. Of the 594,000 same-sex couple households in the United States, 115,000 have children. Some people say that children need both a mother and a father to raise them, but there are many others who believe that gender does not matter when parenting.
