USA TODAY Bestselling series 5th and Final Installment in the Mageri Series Love is infinite. Hate is absolute. In the short span of a year, Silver has gone from becoming a Mage to discovering the truth about her unique genetics.

THE MAGERI SERIES is a thrilling urban fantasy romance about ayoung woman's claim to immortality. This spellbinding tale of courageand resilience is filled with unpredictable twists that will lead you on a journey of love, friendship, and the hidden power within us all.

I'm so sad that this is the final full length book in the Mageri series. I've loved every book and Shine was no different. It picks up from where Gravity left off so if you haven't read the previous books in the series, you really need to.
