In "Simple to Spectacular", Vongerichten and Bittman have constructed a genius concept: take a single recipe, and show it at various levels of complexity. So, you get egg recipes that start with "the Best Scrambled Eggs" and going up to "Scrambled Eggs with Caviar and Creme Fraiche." This idea is marvelous, because it allows amateur cooks, like myself, to see how you can use a basic concept and build on it to create something sophisticated and different.
