The Florida Spiny Lobster How to Catch It, Its Biology, A Crawfish Cookbook and First Aid for Minor Diving Injuries John J. Kappes Universal Publishers

The Florida Spiny Lobster tells what every crawfish hunter ought to know about his quarry, what equipment he'll need, where to find them, and how to catch them. It also provides some tried and true recipes for those lucky lobster hunters who get some of these spiny delicacies as far as the kitchen. It also delves into the rules and regulations covering its capture and gives some common sense suggestions on how to safely manage the hunt.
