

Download The Thank You Book An Elephant And Piggie Book

I would recommend The Thank You Book to fans of the Elephant & Piggie series. My girls laughed as they recognized all of Elephant and Piggie's friends. If you aren't familiar with the series, this probably is not the best book to start with because you won't understand why Piggie is thanking all of these other animals. If that is the case, I would suggest starting with any of the other books- they are all funny books ideal for beginning readers.

PARENTS / EDUCATORS: Love the book? <https://amzn.to/2H6AaY5> Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald worries so that Piggie does not have to.

We think it is the Elephant and Piggie book, We Are In A Book. We really like this book because it is funny. It is funny when Gerald and Piggie realize they are characters in a book and are being watched by a reader. Also, the book is silly because when Gerald and Piggie come up with the idea to have the reader say whatever they want, they make the reader say, "banana." These are some ...

In this Elephant and Piggie book, it's a mix of manners and worry that drives the story. While Piggie feels it is important to thank all her friends for who they are and what they've done for her, Gerald is somewhat apprehensive.

Rated 5 out of 5 by Arya from If you would not know how to say thank you The elephant and piggy books are a great series for early readers. Motivating to read, funny and with an easy but still meaning full short story. I doesn't really matter which book, your kids will have fun with it and you probably as well.

The Thank You Book not only sticks to what made the series great, it wraps its fans in a grateful, valedictory embrace...By the end...there is something that feels almost sacramental going on, as if all the thanking is marking not just the end of the series but some timeless rite of passage, the initiation into reading, which after all depends on support from so many.
