

Download Understanding Child Maltreatment An Ecological And Developmental Perspective

Two chapters cover each developmental stage: the first chapter presents a comprehensive discussion of normal development and the developmental consequences of child maltreatment; and the second chapter applies this knowledge to the assessment and intervention strategies of child maltreatment. Research has yielded support for viewing child maltreatment from an ecological perspective, in that a ...

This book analyzes in a developmental context understanding, assessing, and treating child maltreatment within the ecological framework. This framework is used to help systematically organize and ...
