What the French was an enlightening and entertaining read, I'd recommend it more to people who have visited or are planning to visit France. You will probably appreciate this book much more if you can compare the author's opinions with your own personal anecdotes.

In France, the simple act of eating bread is an exercise in creative problem solving and attempting to spell requires a degree of masochism. But that's just how the French like it—and in WTF, Olivier Magny reveals the France only the French know. From the latest trends in baby names, to the religiously observed division of church and state, prepare yourself for an insider's look at French culture that is surprising, insightful, and chock full of bons mots.

What the French ?!®, C'est l'histoire complètement givrée de la rencontre entre le bio & la glace! Nos artisans glaciers expérimentent, innovent, réinventent les classiques, pour honorer la qualité de nos matières premières bio avec un twist de modernité.
